Indoor gym is offered daily in our large auditorium to enhance gross motor skills and physical activity. Outdoor play is also offered weather permitting. We always leave time to explore through science experiments and play as well as working on all prekindergarten skills.

We do not take field trips. However, we do bring in many special guests, such as a dental hygienist, firefighters and police officers. Parents that would like to share something about their professions or cultures that would interest the children and enrich our program are welcome.

**FOR YOUR INFORMATION:**

Even though we do not have formal teacher/parent conferences, as the need arises, a conference may be scheduled. You may speak to your child's teachers and arrange a time that is convenient for all parties. If needed, the directors will attend.

We want you to be aware that we have celebrations for Halloween, Thanksgiving, and Valentine's Day. National holidays such as Columbus Day, Veteran's Day, Martin Luther King Day and President's Day will be remembered.

We also teach the children the "Pledge of Allegiance".

As always, your input is very important to us and always welcome. Any suggestions may be brought to the attention of the directors or placed in the suggestion box outside of the office. We realize that there is always room for improvement and we strive to be better.

Individual and class pictures are taken every year. The date will be posted on the Lollipop Tree calendar which is located on our website.

The Lollipop Tree offers a summer program. More information will follow in the spring.

Please plan to spend a short time with us the first day so that you may meet the other parents in your child's class.
